The *Falcon* News

250,000 proud owners agree . . .

The Falcon Tudor Sedan . . . America's lowest-priced 6-passenger car

no other compact car measures up to Falcon

Vol. 10, No. 12

July 1989

President's Message

You will notice that we have made this issue of The Falcon News smaller. We have done this due to the cost of printing and mailing. We felt we could save the club several hundred dollars by doing this. Next month we will be back to the normal size.

See you in Kansas.

Roy E. Sword, President FCA

Editor's Message

The National Meet is getting closer. Be sure and remember the deadline for hotel reservations is July 27, 1989. Also, get your registration for your Falcon in to the Mid-America Chapter.

The National Book showing highlights of the Atlanta Meet last year will be coming to you soon. We hope you will take time to enjoy the photos and get encouraged, if you are not already, to come and meet us in Kansas City for the 10th Annual Meet. You will be glad you did. We always have a great time and each year gets better and better.

Some articles had to be cut for this short issue but we'll try to get them in the next issue.

Bill & Kathy Woodell, Editors

Top Window Seal Poll Results 1963-1965 Convertible Owners ONLY

Responses to the poll have reached 120. I believe that we will reach 130 within one more month at the present rate.

The manufacturer will start production with no qualifications if we can reach his goal of 120 **confirmed** responses. To do this, we need to reach 150. The tooling costs are high, due to the seals requiring a mold with steel inserts, and due to six separate molds required.

If anyone has not responded, please send a postcard with name, address and telephone number to my address below.

Cost is projected at \$200. Sales will be direct from manufacturer to all poll respondents. Note that these seals are for 1963-65 Falcon/Comet Convertibles only - not Hardtops.

Alan's Restorations, P.O. Box 2126, Truckee, CA 95734-2126

A Note from Alan Hale

Dear Editors,

I have been receiving requests for technical information over the phone and in written form. I would appreciate it if you would publish a notice that I have a limited time for phone requests and *will not* return calls. I will honor any written request providing the member sends a SASE and leaves room on his letter for a reply. If the information is of general interest I will send it to you.

Alan Hale, Alan's Restorations, P.O. Box 2126, Truckee, CA 95734-2126

September 30 - October 1, 1989 - Wisconsin - The Twelfth Annual Lake Geneva Classic Car Rally tour to benefit children's cancer research, Saturday and Sunday, September 30 and October 1, in Lake Geneva, Wisconsin. The rally will feature a Grand Car Show Finale with prizes, trophies, and dash plaques. Last year's event brought 650 classic, antique and special interest vehicles and raised \$17,000.00 for the American Cancer Society. For Further Information contact: Classic Car Rally, P.O. Box 732, Lake Geneva, WI 53147, 414-248-4416 or 414-248-3536.

October 15, 1989 - Maryland - The Mason Dixon Chapter is holding its 3rd Annual Potluck picnic at Sandy Point State Park. The park is located near the Western approach to the Bay Bridge on Rt. #50 about 7 miles east of Annapolis. This year we've decided to add to the fun with an auction. Members will be bringing all (hopefully) of their unwanted Falcon parts. Proceeds to be split between treasury and parts donors. Club provides hot-dogs and hamburgers. Each family/member please bring a covered dish of your choice. Host - Phil Barber (301) 266-8271.

COME TO MACUNGIE, PENNSYLVANIA August 4, 5 and 6

FCA Members are invited to bring their Falcons to the August Festival at Macungie, PA. The Keystone, Mason-Dixon and Northeast Chapters will be participating. **You must pre-register by July 22.** (No cars newer than 1964) See the calendar of events section of this newsletter under August 6 for more information on whom to contact.

Caravan To Kansas City For The National Meet

The Mile-Hi Chapter will host the caravan from Denver to Overland Park with a stay in Salina, KS on I-70. The Northwest Chapter and Wasatch Chapter will have a caravan meeting the others at Denver. Contact Ray Roberts (Colorado) 303-986-8932, Charles Johnson (Washington) 206-488-9184 or Charles Garcia (Utah) 801-546-4987. Motel and other information were in the June issue.

Denton, Maryland Meet a Big Success!

I want to give a special thanks to all those that took the time and effort to make the Smith Ford, Denton, Md. Meet the success that it was.

We had seventeen Falcons and one Comet show up. I think Mr. Smith was well pleased with the quantity and quality of cars that were there. Everyone received a real nice gift from Mr. Smith, and he asked us to do it again next year. I hope more will plan to come.

He also sold a number of Falcon parts that members were looking for, and he gives The Falcon Club members 20% off.

63 Futura Sports Conv., Factory V-8 and 4-spd., bucket seats and console, restore or drive as is, \$2200. Jack Risley, P.O. Box 1174, NY, NY 10009. (212) 505-1855.

Technical Help Wanted

Dear Alan,

I have a question that I hope you can help me with. I own a 63 Falcon Futura Convertible that came factory with a 4 speed transmission. However that transmission was long gone when I came upon that car. What year or model 4 speed transmission can I use in this car that the shifter will come out at the original place and not up under the seat? The car has a 6 cy. engine. I looked at a Mustang transmission, but the shifter mounts on the rear of the housing and will not come out at the original Falcon hold.

Mike Chandler, 1849 Patrick Rd., Pulaski, TN 38478

Dear Mike,

Only the Dagenham 4 speed will bolt up to the 144, 170 or 200 cid 6 cylinder. It was used only for 6 cyl. Falcons through 1964. A slightly different version was used in Econoline vans as an option, also through 1964. Because Mustang 6 cyl. 200 cid engines 1967 and later used an all synchro 3 speed, you can adapt this 3 speed to a 170 (144, 170 and 200 6 cyl. have this same bell housing pattern). To do this, you need a flywheel, pilot bushing, bellhousing, clutch disc and pressure plate and an after market 3 speed shifter. There are many such shifters available for mounting at the Falcon shifter position. This type of 3 speed would also require a rear transmission mount conversion as is described in my "How to Modify Your Falcon" book. No V-8 (T-10 or Ford T&C) transmissions will fit the 6 cylinder 144, 170 or 200 engine due to differences in input shaft length and spline diameter.

There is very little performance difference between a 3 and 4 speed on a 170 or 200 engine due to the torque curve of the engine. Dagenham transmissions were made by Ford of England at their Dagenham plant and can be found with some effort. Check with Falcon News classified advertisers, such as Brian Lukas.

I feel that the Ford 3 speed (Ford T&C 3.30) all-synchro transmission is your best bet for durability and cost effectiveness.

I would personally convert the car to a select shift (1971-75) C-4 (modified) with a floor shift, with a 3.25:1 rear axle ratio. How to do this is in my book.

Regards,

Alan Hale, Box 2126, Truckee, CA 95734

MEET REPORTS

The **Mason-Dixon Chapter** held its 3rd annual meet at Smith Ford on the 20th of May. This meet was dedicated to the memory of our recently deceased Chapter Secretary - Elmer Furman. The weather was just perfect, and we had very good participation. We also signed up two new members and welcomed them into our group. 25 members and guests arrived in 17 cars which represented almost everything Falcon made. There were six convertibles, two Hardtops, four 2-dr. Sedans, two 4-dr. Sedans, two wagons, and one Ranchero. Mr Smith was again a super host. He was kind enough to give us the run of his facility plus all the hot-dogs and sodas we could eat. Best of all he personally took his time to look up parts for us from his obsolete parts inventory. Most members went home with some "hard to find" parts. Also each member was presented with a set of glasses imprinted with antique Fords compliments of Smith Ford. We all had a great time and are already planning on Smith Ford next year.

During the business meeting we discussed upcoming events at Das Awkscht Fescht in Macungie, PA on August 6th and The Eastern Regionals in Livingston, NJ on 9 and 10 of Sept. Also it was decided to hold elections at Fort Frederick on June 11th if we have enough participation and if not they will be held at our annual fall picnic on October 15th in Sandy Point State Park.
